

Project: FTR control in chickpea  
 Trial: LB1309  
 District: Irvingdale

Planting date: 27/05/2013  
 Planter type: Disc planter

Application date:

IBS	PSPE
27/05/2013	2/06/2013

**Disclaimer:**

This document is based on the results from an individual trial and may contain experimental use patterns that are currently off-label. **This document does not provide any interpretation and should not be taken as an endorsement of any unregistered use pattern.**

Professional advice should be sought for specific recommendations to ensure access to the most up to date information and knowledge.

**Any product referred to in this document must be used strictly as directed, and in accordance with all label or permit instructions. Always consult the label prior to use.**
